O R D E R

Presently pending before the Court are Petitioner Fressadi's petition for review and supplemental petition for review. Among other things, the petition for review challenges the Court of Appeals' June 5, 2019, order granting a deferral of court fees but not granting Petitioner's request for waiver of court fees and/or costs under A.R.S. § 12-302(D). Having considered the petitions,

IT IS ORDERED granting review of Petitioner's petition for review but only to the extent it challenges the Court of Appeals' June 5, 2019, order.

IT IS FURTHER ORDERED vacating the Court of Appeals' June 5, 2019, order and directing the court to enter an order waiving court fees and/or costs in connection with Petitioner's special action.

IT IS FURTHER ORDERED denying review as to all other issues presented in the petition and supplemental petition.

IT IS FURTHER ORDERED denying Petitioner's request for attorney's fees, costs, and prejudgment interest.

DATED this 19th day of November, 2019.
